INTERIOR DOORS
Masonite is committed to delivering unsurpassed performance in interior and exterior doors and glass products. We provide much more than a door; we deliver a total experience, giving you a complete line of products, services and support tools designed to enhance curb appeal and the interior aesthetics of a home.

We are your leading source for the latest trend insights and design ideas, delivering distinctive doors that complement any style and personal taste. From the crisp, clean lines of our Heritage Series, to the versatility of our moulded panel collection, we offer a breadth of interior doors to meet any design, performance and material need. It’s never been easier to find the perfect door for your home.
Our dedication to superior craftsmanship allows us to deliver unsurpassed quality and value in interior doors. We offer a comprehensive selection of door styles—all crafted with exacting attention to detail.

**LIVINGSTON.**
- Unique, versatile, and timeless design perfect for any style of home.

**HERITAGE SERIES.**
- Celebrate traditional craftsmanship with clean lines that blend seamlessly with their surroundings.

**WEST END COLLECTION.**
- Embrace the beauty of minimalism with the sophisticated, streamlined look of embossed lines.

**MOULDED PANEL DOORS.**
- Add a defining element to any space with familiar designs that offer timeless appeal.

---

**SOLID CORE DOORS**

We are on a mission to put solid core doors in every home. Made of solid material all the way through, they feel more substantial and block sound more effectively. For minimal cost, solid core doors create a dramatic improvement in overall quality.

- **Solid core doors are SOUND REDUCING.** They block sound more efficiently than hollow doors.
- **Solid core doors are simply built better with a strength you can FEEL the moment you open the door.**
- **Solid core doors are DURABLE,** able to withstand the dents and dings of normal wear.

The Livingston™ door instantly transforms any interior with a unique profile that is universally appealing. Set yourself apart by choosing the only interior door designed to make a lasting statement.

Masonite’s exclusive new design is making homeowners STOP AND TAKE NOTICE OF THEIR DOORS.

- Unique, versatile and timeless design perfect for any style of home
- Smooth, primed surface ideal for painting
- Full range of passage and bifold doors
- Safe ‘N Sound® solid core construction available for better durability, sound reduction and the heft and feel of a wood door
- 20-minute fire-rating doors available for select heights & designs (1-3/4” thickness only)

Featuring an authentic recessed panel with a touch of rich detailing
HERITAGE SERIES
AUTHENTIC ARCHITECTURAL DETAIL

- Clean lines convey traditional craftsmanship and blend seamlessly into surroundings
- Smooth, primed surface ideal for painting
- Full range of passage and bifold doors
- Safe ‘N Sound solid core construction available for better durability and sound reduction with the heft and feel of a wood door
- 20-minute fire-rated doors available for select heights and designs (1-3/4” thickness only)
West End Collection is not available for use with double doors applications. Due to our manufacturing process, the horizontal alignment for our bifolds may fall within a 3/16” tolerance.

- A streamlined look and sophisticated, embossed lines embody minimalism
- Smooth, primed surface ideal for painting
- Full range of passage and bifold doors
- Safe ‘N Sound solid core construction available for better durability and sound reduction with the heft and feel of a wood door
- 20-minute fire-rated doors available for select heights and designs (1-3/4” thickness only)
MOULDED PANEL DOORS

Barn doors are not only functional, but can instantly transform and add character to any space such as pantries, laundry rooms, closets, offices and master bathrooms.

Choose from three easy-to-install track options to create flexible interior spaces packed with character.

Barn doors are only available in Safe 'N Sound® Solid Core Door Construction—meaning they are durable, sound reducing and have the heft and feel of a solid wood door.

Note: Not all designs are available in Emerald, offering; contact Masonite for the complete product offering.

### Design & Size Options

#### Moulded Panel Doors Notes:
- Please note that some sizes are only available as a result of being trimmed from a larger facing. The trimming process may result in a stile width that is too narrow to accommodate a standard bore. To machine a standard bore with a 2-3/8" backset on the lock hole and a 2-1/8" diameter bore, the outer stile measurements must be no less than 3-7/16" wide.
- Many facings have a lockrail that will accommodate a standard bore even when the stile width is too narrow. Please refer to Masonite Moulded Door Facing Dimensional Specifications to verify the outer stile measurements or contact your Masonite Interior Door servicing plant.
- Textured refers to embossed wood-grain.
- Pre-finished white is available as textured only.
- Not all moulded panel designs and sizes are available in all regions as stock products. Please check for special order availability.
- *Thinner outer style will not affect functionality.
- *Not for use with double doors.
